

Scorch Box

Discover world-class, small-batch craft hot sauces delivered monthly.

Craft hot sauce lovers can't find small-batch gems

- Grocery store aisles are dominated by mass-market, watered-down brands
- Artisanal sauce makers lack national distribution channels
- Spicy food enthusiasts pay high individual shipping costs for rare bottles

Curated monthly craft hot sauce discovery

- 3 rare, small-batch hot sauces delivered to your door every month
- Exclusive maker stories, tasting notes, and chef pairing guides included
- Custom micro-batch collaborations available only to subscribers

A \$3B market powered by craft flavor demand

- Global hot sauce market projected to reach \$4.3B by 2028
- Specialty and craft segment growing at 7.1% CAGR
- Driven by digital pop culture phenomena like Hot Ones and spicy food culture

High-margin recurring subscription model

- Tiered subscriptions from \$29 to \$49 monthly
- 62% gross margin through direct wholesale sourcing partnerships
- E-commerce storefront for reordering favorite full-size bottles

Unrivaled curation and exclusive maker partnerships

- Fuego Box and Heatonist dominate general curation
- We focus exclusively on hyper-local, award-winning micro-lots
- Gamified community app where members rate sauces and earn rewards

Raising \$750K Seed to scale customer acquisition

- Raising \$750K Seed round at \$4M valuation
- 50% allocated to creator partnerships and digital ad channels
- 30% for inventory scale and bulk micro-batch purchasing power
- 20% for fulfillment optimization and key hires
